PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral

district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with copies of the notices published. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

Petition signed by agents or attorneys must be accompanied by the authority of such agent, etc.

Department of Insurance,
Victoria, December 30th, 1924.

J. P. DOUGHERTY,
Superintendent of Insurance.

ATTORNEY-GENERAL.

NOTICE.

HIS HONOUR the Lieutenant-Governor in Council has been pleased to direct, under authority of the "Court Rules of Practice Act," R.S.B.C. 1924, chapter 224, that the rules and forms set out hereunder shall govern the practice and procedure in non-contentious business in probate in the Supreme Court and in the County Court where that Court has jurisdiction.

And that the said Rules shall come into effect on the 2nd day of January, 1925.

A. M. MANSON,

Attorney-General.

Attorney-General's Department,

Victoria, B.C., December 23rd, 1924.

RULES OF COURT FOR NON-CONTENTIOUS BUSINESS IN PROBATE MADE UNDER THE PROVISIONS OF THE "COURT RULES OF PRACTICE ACT," R.S.B.C. 1924.

These Rules may be cited as "Probate Rules, 1925," and shall come into force on the 2nd day of January, 1925.

In the interpretation of these Rules reference may be had to section 2 of the "Administration Act," chapter 5, R.S.B.C. 1924.

"Non-contentious business" means the business of obtaining probate and administration where there is no contention as to the right thereto, and shall include the passing of probates and administrations in contentious cases when the contest is terminated, and all business of a non-contentious nature in matters of testacy and intestacy, not being proceedings in any action, and also the business of lodging caveats against the grant of probate or administration.

"Registrar" means the District Registrar of the Supreme Court, and shall include the Registrar of the County Court where that Court has jurisdiction.

1. Application for probate or letters of administration may be made at any Registry or District Registry of the Supreme Court of British Columbia, or in the Registry of any County Court having jurisdiction under the provisions of section 42 of the "County Courts Act."

2. Such application may be made through any solicitor of the Supreme Court of British Columbia, except in cases to which subsection (1) of section 25 of the "Administration Act" applies, when the application may be made by any person competent to take out administration.

3. The solicitor applying for grant of probate or administration shall deposit with the Registrar of the Court the original will (if any), with four copies thereof, and a petition, oath of executor or administrator, as the case may be, in the forms set out in the Appendix, or as nearly thereto as the circumstances of the case shall permit.

The applicant shall also deposit with the Registrar such further affidavits as shall, under the circumstances of the case, be required by these Rules.

4. The executor, or party applying for grant of probate or of administration, shall specify in the oath to lead grant the day on which the testator or the intestate died, and in cases where the executor or party applying for grant is able to so specify no further proof of death shall be required by the Registrar. If the fact of the death be certain but the exact date thereof be unknown, the oath shall state the date on which the testator or intestate was last seen alive and the date on which his dead body was found.

5. The Registrar may approve the documents deposited and shall in such case mark the petition as approved by him, and in the event of the Registrar refusing to approve the petition and other material filed, he shall thereupon mark the petition with his reasons for withholding approval.

6. The applicant may set down an application for hearing by the Court of the petition at any time after the Registrar shall have approved or declined to approve such petition, and shall at the time he sets down such application file in the Registry all the documents mentioned in Rule 3.

EXECUTION OF A WILL.

7. If there be no attestation clause to a will or codicil presented for probate, or if the attestation clause thereto be insufficient, the Registrar must require an affidavit from at least one of the subscribing witnesses, if they or either of them be living, to prove that the provisions of "Wills Act," chapter 274, R.S.B.C. 1924, in reference to the execution, were in fact complied with.

8. If on perusing the affidavits of both the subscribing witnesses it appear that the requirements of the Statute were not complied with, the Registrar must refuse approval of petition.

9. If on perusing the affidavit or affidavits setting forth the facts of the case it appear doubtful whether the will or codicil has been duly executed, the Registrar may refuse approval of petition.

10. If both the subscribing witnesses are dead, or if from other circumstances no affidavit can be obtained from either of them, resort must be had to other persons (if any) who may have been present at the execution of the will or codicil; but if no affidavit of any such other person can be obtained, evidence on affidavit must be procured of that fact and of the handwriting of the deceased and the subscribing witnesses, and also of any circumstances which may raise a presumption in favour of the due execution.

INTERLINEATIONS AND ALTERATIONS.

11. Interlineations and alterations are invalid unless they existed in the will at the time of its execution, or, if made afterwards, unless they have been executed and attested in the mode required by the Statute, or unless they have been rendered valid by the re-execution of the will, or by the subsequent execution of a codicil thereto.

12. When interlineations or alterations appear in the will (unless duly executed, or recited in, or otherwise identified by, the attestation clause) an affidavit or affidavits in proof of their having existed in the will before its execution must be filed, except when the alterations are merely verbal, or when they are of but small importance and are evidenced by the initials of the attesting witnesses.

ERASURES AND OBLITERATIONS.

13. Erasures and obliterations are not to prevail unless proved to have existed in the will at the time of its execution, or unless the alterations thereby effected in the will are duly executed and attested, or unless they have been rendered valid by the re-execution of the will, or by the subsequent execution of a codicil thereto. If no satisfactory evidence can be adduced as to the time when such erasures and obliterations were made, and the words erased or obliterated be not entirely effaced, but can upon inspection of the paper be ascertained, they must form part of the probate.

14. In every case of words having been erased or obliterated which might have been of importance, an affidavit must be required.

DEEDS, ETC., REFERRED TO IN A WILL OR CODICIL.

15. If a will contain a reference to any deed, paper, memorandum, or other document, of such nature as to raise a question whether it ought or ought not to form a constituent part of the will, the production of such deed, paper, memorandum, or other document must be required, with a view to ascertain whether it be entitled to probate; and, if not produced, its non-production must be accounted for.

16. No deed, paper, memorandum, or other document can form part of a will unless it was in existence at the time when the will was executed.

APPEARANCE OF THE PAPER.

17. If there are any vestiges of sealing-wax or wafers or other marks upon the testamentary papers, leading to the inference that a paper, memorandum, or other document has been annexed or attached to the same, they must be satisfac-

torily accounted for, or the production of such paper, memorandum, or other document must be required; and, if not produced, its non-production must be accounted for.

MARRIED WOMAN'S WILL.

18. In a grant of probate of the will of a married woman, or of the will of a widow made during coverture, or letters of administration with such wills annexed, it shall not be necessary to recite in the grant or in the oath to lead the same the separate personal estate of the testatrix or the power or authority under which the will has been or purports to have been made. The probate, or letters of administration with will annexed, in such cases shall take the form of ordinary grants of probate or letters of administration with will annexed without any exception or limitation, and issue to an executor or other person authorized in usual course of representation to take the same; a surviving husband, however, being entitled to the same in preference to the next of kin in case of a partial intestacy.

CODICILS.

19. The above Rules respecting wills apply equally to codicils.

AS TO LETTERS OF ADMINISTRATION.

NOTICE TO OTHER NEXT OF KIN.

20. Where an administration is applied for by one or some of the next of kin only, there being another or other next of kin equally entitled thereto, the Registrar may require proof by affidavit or statutory declaration that notice of such application has been given to such other next of kin before approving petition.

LIMITED ADMINISTRATIONS.

21. Limited administrations are not to be granted unless every person entitled to the general grant has consented or renounced, or has been cited and failed to appear, except under the direction of the Court.

22. No person entitled to a general grant of administration of the personal estate and effects of the deceased will be permitted to take a limited grant, except under the direction of the Court.

ADMINISTRATIONS UNDER SEC. 9 OF "ADMINISTRATION ACT."

23. Whenever the Court, under section 9 of "Administration Act," appoints an administrator other than the person who but for that section would have been entitled to the grant, the same is to be made plainly to appear in the oath of the administrator, in the letters of administration, and in the administration bond.

GRANTS TO AN ATTORNEY.

24. In the case of a person residing out of the Province of British Columbia, administration, or administration with the will annexed, may be granted to his attorney, acting under a power of attorney.

GRANTS OF ADMINISTRATION TO GUARDIANS.

25. Grants of administration may be made to guardians of minors and infants for their use and benefit, and elections by minors of their next of kin or next friend, as the case may be, will be required; but proxies accepting such guardianships and assignments of guardians to minors will be dispensed with.

26. In the case of infants (i.e., under the age of seven years) not having a testamentary guardian, a guardian must be assigned by order of the Court, which order is to be founded on an affidavit showing that the proposed guardian is either de facto next of kin of the infants, or that their next of kin de facto has renounced his or her right to the guardianship and is consenting to the assignment of the proposed guardian, and that such proposed guardian is ready to undertake the guardianship.

27. Where there are both minors and infants, the guardian elected by the minors may act for the infants without being specially assigned to them by order of the Court, provided that the object in view is to take a grant. If the object be to re-

nounce a grant, the guardian must be specially assigned to the infants by order of the Court.

28. In all cases where grants of administration are to be made for the use and benefit of minors or infants, the administrators are to exhibit a declaration on oath of the real and personal estate and effects of the deceased.

29. The consent of the Official Guardian shall be required to all appointments of guardians and to all grants of administration to guardians under Rules 25 to 28, and copies of all petitions and affidavits filed upon application to the Court for such appointments of guardians or grants of administration shall be served upon the Official Guardian not less than five days before the hearing of such applications by the Court.

ADMINISTRATOR'S OATH.

30. The oath of administrators, and of administrators with the will, is to be so worded as to clear off all persons having a prior right to the grant, and the grant is to show on the face of it how the prior interests have been cleared off, and the oath is to set forth, when the fact is so, that the party applying is the only next of kin, or one of the next of kin of the deceased. In all administrations of a special character the recitals in the oath and in the letters of administration must be framed in accordance with the facts of the case.

ADMINISTRATION BONDS.

31. The bond to be given upon any grant of administration shall be according to the forms in the Appendix, or in a form as near thereto as the circumstances of the case will admit.

32. The sureties in such bond are required in all cases to justify, and such justification shall be to an amount or amounts which in the aggregate shall equal the amount of the penalty of the bond. No Registrar shall become surety to any administration bond.

33. In all cases other than those to which subsection (1) of section 25 of the "Administration Act" applies, unless the Court shall otherwise direct, not less than two sureties shall be required to the administration bond, and the bond shall be in penalty of double the amount for which the real and personal estate of the deceased shall be sworn, unless the Court, which it may do, shall direct the same to be reduced, and the Court may also direct that more bonds than one shall be given so as to limit the liability of any surety.

GENERAL RULES.

TIME OF ISSUING GRANT.

34. No probate or letters of administration with the will annexed shall issue until after the lapse of seven days from the death of the deceased, unless under the direction of the Court.

35. No letters of administration shall issue until after the lapse of fourteen days from the death of the deceased, unless under the direction of the Court.

36. In every case where probate or administration is, for the first time, applied for after the lapse of three years from the death of the deceased, the reason of the delay is to be certified to the Registrar. Should the certificate be unsatisfactory, the Registrar is to require such proof of the alleged cause of delay as he may see fit.

IDENTITY OF PARTIES.

37. The Registrar may, in cases where he deems it necessary, require proof, in addition to the oath of the executor or administrator, of the identity of the deceased, or of the party applying for the grant.

PROOF OF SEARCH FOR WILL.

38. Upon every application for grant of administration it must be shown that search for will or testamentary paper has been made in all places where the deceased usually kept his papers, and in his depositories. The affidavit should be made by the applicant, but the proof may, with the Court's or the Registrar's consent, be made otherwise.

39. No Registrar shall be entitled to require an executor, who swears in the oath of executor that the will presented for probate is the last will and

testament of the deceased, to prove by affidavit that search has been made for a later will, but this Rule shall not apply where the date of the will presented for probate is antecedent to the date of the death of the testator for a longer period than five years.

TESTAMENTARY PAPERS TO BE MARKED.

40. Every will, copy of a will, or other testamentary paper, to which an executor or administrator with the will is sworn, must be marked by such executor or administrator and by the person before whom he is sworn.

RENUNCIATIONS.

41. No person who renounced probate of a will or letters of administration of the personal estate and effects of a deceased person in one character is to be allowed to take a representation to the same deceased in another character.

CAVEATS.

42. Any person intending to oppose the issue of a grant of probate or letters of administration shall enter a caveat.

43. Caveats may be lodged in any Registry of the Court, and as many copies of every caveat shall be furnished to the Registrar as may be required by him to be forwarded to each of the other Registries of the Court.

44. The party entering a caveat must declare therein the nature of his interest in the property of the deceased, and state generally the grounds upon which he enters such caveat, and the same shall be signed by the party, or by his solicitor on his behalf, and the proper place mentioned as the address of the party or of his solicitor entering the caveat; and no caveat shall have any force or effect unless the requirements of this Rule be in substance complied with.

45. A caveat shall bear date on the day it is entered, and shall remain in force for the space of six months only, and then expire and be of no effect, but caveats may, subject to the order of the Court or Judge, be renewed from time to time.

46. No caveat shall affect any grant made on the day on which the caveat is entered unless notice of such caveat has been received prior to the grant passing the seal.

47. All caveats shall be warned from the Registry in which such caveats have been lodged. The warning is to be left at the place mentioned in the caveat as the address of the person who entered it, or of his solicitor.

48. It shall be sufficient for the warning of the caveat that the Registrar of the Court in which application for grant is made send by public post, prepaid and registered, a warning signed by himself, bearing the seal of the Court, and directed to the person who entered it or to his solicitor, if signed by a solicitor, at the address mentioned in it.

49. The warning to a caveat shall state the name and interest of the party on whose behalf the same is issued, and if such person claims under a will or codicil, shall also state the date of such will or codicil, and shall contain an address, within one mile of the Registry, at which any notice requiring service may be left. The form of warning may be supplied in the Registry.

50. Before any citation is signed by a Registrar, a caveat shall be entered against any grant being made in respect of the estate and effects of the deceased to which such citation relates.

51. In order to clear off a caveat when no appearance has been entered to a warning duly served, an affidavit of the service of the warning, stating the manner of service, and an affidavit of search for appearance and of non-appearance, shall be filed.

CITATIONS.

52. No citation shall issue under seal of the Court until an affidavit, in verification of the averments it contains, has been filed in the Registry.

53. Citations are to be served personally when that can be done. Personal service shall be effected by leaving a true copy of the citation with the party cited, and showing him the original, if required by him so to do.

54. Citations and other instruments which cannot be served personally shall be served in such manner as the Court shall direct.

BLIND TESTATORS.

55. The Registrar shall not approve any petition for grant of probate or administration with the will annexed of any blind or obviously illiterate or ignorant persons unless they have previously satisfied themselves that the said will was read over to the testator before its execution, or that the testator had at such time a knowledge of its contents.

TIME FOR APPEARANCE.

56. The time fixed by a warning or citation for entering an appearance or by a subpoena to bring in a testamentary paper shall in all cases be exclusive of Sundays, Christmas Day, and other statutory holidays.

TAXATION OF COSTS.

57. The bill of costs of any solicitor for any fees, charges, or disbursements in respect of any business transacted in probate proceedings or in connection therewith, whether contentious or otherwise, or any matters connected therewith, shall as well between solicitor and client as between party and party be subject to taxation by the Registrar, and any bill of costs may be referred to the Registrar for taxation and no special order of the Court shall be required for the purpose.

58. The bill of costs of any solicitor will be taxed on his application, after sufficient notice given to the person or persons liable for the payment thereof, or on the application of such person or persons, after sufficient notice given to the practitioner, and the Registrar shall decide in each case what may be a sufficient notice.

59. When an appointment has been made by a Registrar to tax a bill, the Registrar may proceed to tax the same after the expiration of a quarter of an hour, notwithstanding the absence of either party, or his agent, provided he be satisfied that the absent party has had due notice of the appointment for taxation.

60. Costs in all probate matters shall be taxed as between solicitor and client unless the Court otherwise directs, and the tariff of costs from time to time in force under the Rules of the Supreme Court of British Columbia shall apply to all taxations under these Rules.

61. If more than one-sixth is deducted from any bill of costs taxed as between practitioner and client, no costs incurred in the taxation thereof shall be allowed as part of such bill.

62. The certificate of the Registrar of the amount at which such bill is taxed shall be subject to appeal to the Court or to any Judge in Chambers, and the provisions of Order 65, Rule 27, subsections (41) and (42), of the Rules of the Supreme Court of British Columbia shall apply to any review of taxation.

63. In cases where the real or personal estate does not exceed the sum of \$400, the cost of obtaining probate or letters of administration shall not exceed the sum of \$25.

64. All rules, orders, and instructions, and the existing practice of the Court with respect to non-contentious business, shall, so far as the circumstances of the case will allow, be applicable to grants of probate and administration made under the authority of the "Land Registry Act" (chapter 26, 1921).

FOREIGN WILLS.

65. Where any grant of probate or letters of administration has been made by any Court of competent jurisdiction outside the Province of British Columbia, and such grant cannot be resealed under the provisions of the "Probates Recognition Act," a grant of administration, or administration with the will annexed, limited to the estate of the deceased situate within the Province, may be granted to the attorney of any executor or administrator appointed by such foreign Court, acting under a power of attorney.

66. Copies of foreign wills to be annexed to grants of administration shall be certified under the seal of the Court out of which letters probate have been granted.

RULES FOR RESEALING PROBATES AND GRANTS OF ADMINISTRATION UNDER "PROBATES RECOGNITION ACT," CHAP. 203, R.S.B.C. 1924.

67. Application to reseal a grant of probate or letters of administration, or copy thereof, under the "Probates Recognition Act," may be made in any Registry or District Registry of any Court having jurisdiction in matters of probate by the executor or administrator, or the attorney (lawfully authorized for the purpose) of such executor or administrator.

68. The solicitor applying for an order for resealing shall deposit with the Registrar of the Court the grant of probate or letters of administration, or a duplicate or certified copy thereof under subsection (2) of section 4 of the "Probates Recognition Act," with two copies thereof and a petition, and at the same time shall deposit with the Registrar an affidavit of value and relationship in the form provided by the "Succession Duty Act," which affidavit shall be sworn in duplicate.

69. Such petition shall be accompanied by an oath of the executor, administrator, or attorney, in the form in the Appendix, or as near thereto as the circumstances of the case will allow.

70. In every case, and especially when the domicile of the deceased at the time of death as sworn to in the affidavit differs from that suggested by the description in the grant, the Registrar may require further evidence as to domicile.

71. If it should appear that the deceased was not at the time of death domiciled within the jurisdiction of the Court from which the grant issued, the Registrar shall mark the petition accordingly.

72. Rules 5 and 6 shall apply to all applications for resealing.

73. The grant (or copy grant) to be sealed and the copy to be deposited in the Registry must include copies of all testamentary papers admitted to probate.

74. Special, or limited, or temporary grants are not to be sealed except by order of the Court.

75. Notice of the sealing in the Province of British Columbia of a grant is to be sent to the Court from which the grant issued.

76. When intimation has been received of the resealing of a British Columbia grant, notice of the revocation of or any alteration in such grant is to be sent to the Court by whose authority such grant was resealed.

REMUNERATION AND PAYING OF ACCOUNTS.

77. Applications to the Court for passing of accounts and remuneration shall be made to the Court by way of petition in accordance with Form 10, but the Court shall not direct the accounts to be passed by the Registrar until the application for remuneration is dealt with.

ATTORNEY-GENERAL.

NOTICE.

HIS HONOUR the Lieutenant-Governor in Council has been pleased to direct that the following Rules shall regulate the procedure and practice in the Court of Appeal in the matters therein provided for.

And that the said Rules shall come into effect on the 2nd day of January, 1925.

A. M. MANSON,

Attorney-General.

Attorney-General's Department,

Victoria, B.C., December 31st, 1924.

THE COURT OF APPEAL RULES, 1924.

1. These Rules may be cited as "The Court of Appeal Rules, 1924," and shall come into operation on a day to be fixed by the Lieutenant-Governor in Council.

2. The "Interpretation Act" shall apply to these Rules, and the several words hereinafter mentioned shall have the following meanings:—

"Judge" means a Justice of Appeal:

"Rules" shall include forms:

"The Court" means the Court of Appeal:

"The Registrar" means the Registrar of the Court of Appeal at the place where the appeal is set down for hearing.

APPEAL TO BE REHEARING ON NOTICE.

3. All appeals to the Court shall be by way of rehearing and shall be brought by notice of appeal in a summary way. If the defendant desires to appeal from part only of the judgment or order, he shall specify such part, and the notice of appeal shall set out the grounds of appeal.

SERVICE OF NOTICE OF APPEAL.

4. The notice of appeal shall be served upon all parties directly affected by the appeal, and it shall not be necessary to serve parties not so affected; but the Court may direct notice of the appeal to be served on all or any parties to the action or other proceeding, or upon any person not a party, and in the meantime may postpone or adjourn the hearing of the appeal upon such terms as may be just, and may give such judgment and make such order as might have been given or made if the persons served with such notice had been originally parties. Any notice of appeal may be amended at any time as the Court may think fit.

POWER OF COURT TO AMEND.

5. The Court shall have all the powers and duties as to amendment and otherwise of the Court or Judge appealed from, together with full discretionary power to receive further evidence upon questions of fact, such evidence to be either by oral examination in Court, by affidavit, or by deposition taken before an examiner or commissioner. Such further evidence may be given without special leave upon interlocutory applications, or in any case as to matters which have occurred after the date of the decision from which the appeal is brought. Upon appeals from a judgment after trial or hearing of any cause or matter upon the merits, such further evidence (save as to matters subsequent as aforesaid) shall be admitted on special grounds only, and not without special leave of the Court. The Court shall have power to draw inferences of fact and to give any judgment and make any order which ought to have been made, and to make such further or other order as the case may require. The powers aforesaid may be exercised by the Court, notwithstanding that part only of the decision may have been appealed from, and such powers shall be exercised in favour of all or any of the respondents or parties, although such respondents or parties may not have appealed from or complained of the decision.

POWER TO ORDER NEW TRIAL.

6. If upon the hearing of an appeal it shall appear to the Court that a new trial ought to be had, it shall be lawful for the said Court, if it

shall think fit, to order that the verdict and judgment shall be set aside and that a new trial shall be had.

EXCESSIVE DAMAGES.

7. Where excessive damages have been awarded by a jury, if the Court is of the opinion that the verdict is not otherwise unreasonable, it may reduce the damages without the consent of either party instead of ordering a new trial.

NOTICE OF APPEAL BY RESPONDENT.

8. It shall not, under any circumstances, be necessary for a respondent to give notice of motion by way of cross-appeal, but if a respondent intends, upon the hearing of the appeal, to contend that the decision of the Court or Judge appealed from should be varied, he shall within the time specified in the next Rule, or such time as may be prescribed by special order, give notice of such intention to any parties who may be affected by such contention. The omission to give such notice shall not diminish the powers conferred by the "Court of Appeal Act" upon the Court, but may, in the discretion of the Court, be ground for an adjournment of the appeal or for a special order as to costs.

RESPONDENT TO GIVE NOTICE OF OBJECTION TO JURISDICTION.

9. Where a respondent intends to take objection to the jurisdiction of the Court to hear the appeal, he shall give to the appellant at least one clear day's notice thereof before the appeal comes to be heard, and if he shall fail to do so the Court shall be at liberty to make such order as to costs of the objection as to it may seem meet.

LENGTH OF NOTICE BY RESPONDENT.

10. Subject to any special order which may be made, notice by a respondent under the last preceding Rule shall in the case of any appeal from a final judgment be an eight days' notice, and in the case of an appeal from an interlocutory order a two days' notice.

ENTRY OF APPEALS.

11. The party appealing from a judgment or order shall leave with the Registrar a copy of the notice of appeal to be filed, together with a *præcipe* for hearing the appeal, two days before the day for hearing, and the officer shall thereupon set down the appeal to be heard, and the party appealing shall at the time of the filing of the *præcipe* deliver to the Registrar twelve copies of the Appeal-book, if printed; if written, six copies.

PREPARATION OF APPEAL-BOOKS.

12. The title page shall show the name of the Court and Judge appealed from, and the style of cause, putting the plaintiff's name first, and stating the appellant and respondent. Name of solicitors, counsel, and agents shall also be added.

Index should be at the beginning of the case, and show:—

- (a.) The date of commencement of the action or other proceeding:
- (b.) Each pleading, order, or entry, with its date:
- (c.) Each witness by name:
- (d.) Each exhibit or other document, with its description and date.

N.B.—Documentary evidence shall be printed in the Appeal-book in chronological order and in the index in numerical order.

The Registrar shall not accept any Appeal-books (if typewritten) unless at least two of the said Appeal-books are original, and two are first and the others clear carbon copies, and all are paged alike and indexed. Pages shall be printed on the right-hand side.

The pages shall be numbered on the upper right-hand corner, and marginal numbers given of every tenth line on each page, but numbering not to run on through the book.

Unless some change has been made in the style of cause, the title page will be taken as the style of cause on each pleading, proceeding, or order.

The surname of the witness whose evidence it is shall be put at the top of each page, immediately under or alongside of the pagination number, and the words "discovery," "in chief," "cross-exam.,"

or "re-exam.," as the case may be, added immediately under the same.

When reasons for judgment are given, the name of the Judge whose reasons they are shall be placed at the top of each page, immediately under or alongside of the pagination number, thus: "Henry, J.," or, if a Judge of the County Court, "Henry, Co. J."

When two exhibits are almost identical, unless there is a point turning on the difference, it is unnecessary to repeat in the second all that occurs in the first; e.g., the memorandum of association having been inserted, it would be unnecessary to insert at full length the certificate of the Registrar of Companies.

If counsel's arguments on admission or rejection of evidence are inserted in the Appeal-book, it will be at the risk of being disallowed on taxation.

Useless inventories should be omitted; e.g., in bills of sale where nothing turns upon the description of the articles.

Exact copies of cheques, notes, bills, etc., are not always necessary, and it shall be generally sufficient to state briefly their effect unless something turns upon the document itself. Nor, in like manner, shall it always be necessary to set out formal parts of writs of summons or execution, or original pleadings for which amendments have been substituted.

13. The Registrar of the Court appealed from, as well as the parties and their legal agents, shall endeavour to exclude from the Appeal-book all documents and notes of evidence that are not relevant to the subject-matter of the appeal or necessary for its decision, and generally to reduce the bulk of the Appeal-book as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be copied or printed shall be enumerated in a list to be placed after the index or at the end of the Appeal-book.

14. Where in the course of the preparation of an Appeal-book one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon it being included, the Appeal-book, as finally prepared, shall, with a view to the subsequent adjustment of the costs of and incidental to such document or notes of evidence, indicate in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the same was objected to.

APPEAL FROM REFUSAL OF EX PARTE APPLICATIONS.

15. Where an *ex parte* application has been refused by the Court or Judge appealed from, an application for similar purpose may be made to the Court *ex parte* within four days from the date of such refusal, or within such enlarged time as the Court appealed from or of the Court may allow.

QUESTION OF FACT.

16. When any question of fact is involved in an appeal, the evidence taken in the Court appealed from bearing on such question shall, subject to any special order of any Act, be brought before the Court as follows:—

- (a.) As to any evidence taken by affidavit, by the production of true copies of the affidavit: Provided that the Court may order the originals to be produced by the Registrar of the Court appealed from:
- (b.) As to any evidence given orally (unless taken by an official stenographer), by the production of five copies of the notes of the Judge appealed from, or such other materials as the Court may deem expedient, and if taken by official stenographer, then by his notes:
- (c.) Where, on appeal to the Court, oral evidence taken or rulings made in the Court appealed from has or have to be considered, and a report of the same has not been made by an official stenographer, or, if made, cannot be procured, it shall be the duty of the appellant, or of his solicitor, to apply to the Judge appealed from for a copy of his notes, for the use of the Court, and in case default is made in this respect, and the hearing of the appeal has, in consequence, to be adjourned,

the appellant shall be liable for the costs occasioned by the adjournment, unless it is otherwise ordered by the Court for special reasons.

EVIDENCE AS TO DIRECTION OF JUDGE TO JURY.

17. Subject to the "Supreme Court Act" and the "Court of Appeal Act," if, upon the hearing of an appeal, a question arise as to the ruling or direction to a jury of the Judge appealed from, the Court shall have regard to verified notes or other evidence, and to such other materials as the Court may deem expedient.

INTERLOCUTORY ORDER NOT TO PREJUDICE APPEAL.

18. No interlocutory order or rule from which there has been no appeal shall operate so as to bar or prejudice the Court from giving such decision upon the appeal as may be just.

STAY OF PROCEEDINGS ON APPEAL.

19. An appeal shall not operate as a stay of execution or of proceedings under the decision appealed from, except so far as the Court or Judge appealed from, or the Court, may order; and no intermediate act or proceeding shall be invalidated, except so far as the Court or Judge appealed from may direct.

APPLICATION IN FIRST INSTANCE TO COURT APPEALED FROM.

20. Wherever under these Rules an application may be made either to the Court or Judge appealed from or to the Court of Appeal, it shall be made in the first instance to the Court or Judge appealed from.

APPLICATION TO BE BY MOTION.

21. Every application to a Judge shall be by motion on two clear days' notice unless a Judge shall give special leave to give a shorter notice.

DOMINION ORDERS IN COUNCIL.

P.C. No. 2134.

CERTIFIED COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 9TH DECEMBER, 1924.

THE Committee of the Privy Council have had before them a report, dated 29th November, 1924, from the Minister of the Interior, stating that during the years 1910 and 1911 Quarrying Leases Nos. 84, 89, 90, and 236, comprising locations situated in the Railway Belt in the Province of British Columbia, were issued under the provisions of the regulations in that behalf, which were approved by Order in Council dated the 13th May, 1910, and that assignments of these leases in favour of the Western Canada Lime Company, Limited, of New Westminster, were subsequently accepted and registered on the 31st day of January, 1916.

On the 31st July, 1920, Miscellaneous Quarrying Lease No. 1 was issued in favour of the same company, under the authority of an Order in Council dated the 5th January, 1920, and this lease conveyed the right to recover a deposit of disintegrated lime or marl from the available portion of the bed of Cheam Lake, in the said Province.

These several leases provided for the payment of an annual rental and for cancellation of the lease for default in payment of such rental. As the lessees failed to pay the rental provided for, the several leases were cancelled in the records of the Department of the Interior on the 31st day of March, 1924.

Representations have now been made to the Department that there is a valuable plant installed upon the locations in question; that the lessee company admit negligence on its part for failure to pay the rental when due; that several large orders affecting the products of these locations have recently been obtained; and that the company desires to be reinstated in the rights which it formerly had to the locations described in the said leases.

As payment has now been made of all arrears of rental and interest due the Crown in connection with the locations in question, and as no other applications have been received for the same rights, the Minister recommends that he be authorized to reinstate the lessee company in the rights which it formerly had to the locations described in Quarrying Leases Nos. 84, 89, 90, and 236, also the rights formerly conveyed in Miscellaneous Quarrying Lease No. 1, above referred to.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE.

Clerk of the Privy Council.

To the Honourable

The Minister of the Interior.
